20. Residence

**Description** Gable-front-and-wing Greek Revival house with a stone foundation and a covered front porch. Anachronistic changes to the structure include an extension of the facade wing, exterior siding and the loss of the wide trim band which typically emphasizes the cornice lines of Greek Revival homes.

Also located on the property is a small barn with gable roof.

**Date of Construction** house-1880 (WPA Rural Properties Inventory, probably a remodel date);  
barn - a 24'x26' barn, built in 1880 was described in the WPA Rural Properties Inventory. Measuring  
the extant barn could determine if it is the same barn mentioned in the 1939 inventory.
